

The Branson Bicycle Club is a local, non-profit organization comprised of bicycling enthusiasts from the tri-lakes area. Created in March of 2009 and incorporated in May of 2009, the primary goal is to promote health, camaraderie and the pure enjoyment received from bicycling. We also look forward to potential service projects ranging from working on local bicycle trails to volunteering at community events.

The Branson Bicycle Club welcomes individuals and families alike. We take pride in providing opportunities for every level of bicyclists ranging from trail riders to racers. At any given club event, you will see children and adults riding together; businessmen, service providers and homemakers venturing out and encouraging one another. Our club is literally for each level of bicycle interest and ability.

Currently, the club has three weekly group rides around the Branson community. Averaging 8 -15 people on these local rides, the feedback continues to be excellent. In fact, we are beginning to see many tourists joining in the fun with the bicycles they have with them for vacationing.

As a form of communication, the Branson Bicycle Club is using Yahoo Groups as a temporary site. With a current membership of 93 active members, we are expecting a rapid growth upon development of a new website with easier access.

Monetary support from local organizations will help with the cost of this website and a continuation of many future events. The Branson Bicycle Club had two levels of corporate sponsorship available.

Level 1 - \$100 per year

Sponsor's logo placed on our website

Level 2 - \$150 per year

Sponsor's logo placed on our website with an option to have a link to their website
Sponsor's logo placed on upcoming club products such as t-shirts and jerseys
A banner provided by the sponsor can be displayed at club events

We look forward to working with your organization hand-in-hand. If you have any questions, please feel free to contact Leslie Hurst at (417) 337-2037 or leshurst@suddenlink.net
